Action – Taken

- ★ The college has been continuously working on quality improvement and betterment of student teaching- learning experiences of the students. In order to analyze every aspect of the college and scope for further improvement, the college has collected every year the feedback of students through a feedback form which has included various key indicators.
- ★ The overall feedback from students shows that the students are well satisfied with the facilities and effort taken by the institute.
- ★ The responses on feedback form shows the different views expressed by present students in regard to their perception of quality in the institution.
- ★ Students are very satisfied with the curriculum, availability of teaching learning sources of the institution.
- ★ Their feedback significantly shows the actual qualities of the teaching-learning process as well as the other possible improvements.
- ★ The responses of the students have helped improve the quality of teaching-learning and achieve the motto of the institution “EXCELSIOR”.
